

Are you prepared in case of an
Emergency?

We have an opportunity for Ovation Residents to participate in a class and learn how to:

- perform CPR,
- use the AED, and
- practice basic first aid skills

We need a minimum of 10 residents who are willing to pay \$50.00 each to book a four hour class at Flora Park with instructor, Russell Rowlands, Fireman/EMT.

It's important to be prepared in our homes, at the pool or on the road!

Please contact Dianna Sepulveda (562) 773-0540 if you are interested. Hopefully we can schedule this class sometime in the Spring possibly on a Saturday depending on the response and Russell's schedule.
